

The Council intends that the Superintendent will be able to benefit from educational or training conferences, seminars and workshops that are directly related to matters dealing with the education mandate of the Superintendent to fulfill the education program of the South Slave Divisional Education Council.

REGULATIONS

1. The Superintendent is authorized to attend any educational conferences, seminars or workshops.
2. Attendance will be within budget allocations for this purpose. This budget will be set annually at the time of budget preparation.
3. The Superintendent shall report his/her attendance at conferences, seminars or workshops to a regular Council meeting.
