

Consent to Participate in Outings:

During the course of the 2016 - 2017 school years, children at Harry Camsell K-3 School will be expected to participate in outings. These trips always have definite educational objectives which are related to the curriculum. Normally these outings such as visits to the Post Office, the Arena, the Fire Hall, or the Public Library, are arranged for whole classes or grade levels. Participation in such outings is a normal part of the regular program and therefore is not optional. At times these outings may require the children to be transported by school bus.

Any trips outside town limits and some special activities will be considered optional. Parents will be provided with specific consent slips which would have to be signed by a parent before a child could participate.

Please sign to indicate that:

You are aware that routine outings within the community are a normal part of the program. You realize that by having your child enrolled in our school, you are agreeing to the student's participation in these outings.
